Miles Rice developed a passion for golf at an early age while playing with his father. After earning a degree in Golf Management from the Golf Academy of America in Dallas in 2017, Miles began his teaching career with junior golfers at Twin Creeks Golf Club. He later joined TopGolf in Dallas before accepting a position at the company's Baton Rouge location in 2020. A year later, he moved to Charleston, South Carolina, where he directed the teaching program at Shadow Moss Golf and Country Club for four years. To be closer to his wife's family, Miles relocated with his wife and daughter to Monroe, Louisiana, where he was appointed the city's Director of Golf, overseeing the Chennault and Forsyth courses. With eight years of experience, he understands that each golf swing is unique and adapts his instruction to help every player make meaningful progress.
